

Director of Prison Ministries

Thanks & Blessings! EPPM Update

Over the last few months, with your help, we were in 15 prisons in 4 four states, ministering to hundreds and graduating over 30 inmates.

We have implemented EE training in an additional 5 prisons. More than 200 men and women responded to the gospel and now have new life in Christ!

Praise God and thank you so much for your support!

Please pray as I prepare to teach in Cambodia in Nov. God continues to expand our territory and we thank you for taking this journey with us!

We continue to partner with local churches for evangelism/prison ministry training and were able to assist 10 churches since the beginning of the third quarter. Please contact our office for more info on how your church can be equipped to make an impact for the Kingdom of God like never before!

You can partner with us by praying, volunteering, giving and spreading the word about EPPM. Help us to go - preach more, teach more and REACH MORE for the sake of the Gospel!

Thank you and God bless!
