

A "GOD-PROVIDED SUMMER"

Well, He's done it again! The Lord has prompted and provided for an awesome ministry-filled summer! There's no better GPS than the Holy Spirit Himself as He directed our steps and guided our path! We have seen the divine appointments of God throughout our travels these last few months since our last newsletter update.

At Sardis Dam in Sardis, MS

In June, I had the honor of graduating 47 men at Elayn Hunt Correctional Center in St. Gabriel, LA! This was our first graduating class at this institution. Thank you, Chaplain Murray, for your vision and leadership there! While in Louisiana, I stopped in at Dixon Correctional for a worship service coordinated by Chaplain Patricia Williams. We look forward to working with Chaplain Williams to get Fresh Start at Dixon as well!

After Louisiana, it was off to the big state of Texas where I teamed up with volunteer Walt Stokes and his team from Victory Life Church in Lubbock to minister at the Jim Rudd Unit. Walt & friends have been teaching the Fresh Start classes there for over a year.

One of the many highlights of the summer trip was having the opportunity to equip a group of volunteers with Elijah's Heart ministry and then partnering with them to deliver meals to those in need in Nashville's inner city. Papa Joe Bradford and his wife, Denise, head up Elijah's Heart. You may remember them from our Spring Banquet in March! Yes, I believe God was planning this partnership even way before then! ☺ Like I said, best GPS ever!

On our way through Mississippi we were afforded the pleasure of stopping in to minister with Pastor Tommy Cash at Mt. Zion Missionary Baptist Church. Pastor Cash and his family are such a blessing to us!

Because of the ministry at Morningside Church in Port St. Lucie, FL with Pastors Tom & Scott Crawford (see Spring 2018 prayer letter), I was invited to speak at the Evangelical Friends Church – Eastern Region Yearly Meeting in Canton, Ohio. I also had the honor of ministering in music & Word at two worship services at First Friends Church where the meetings were held. I am so excited about this new connection to this awesome group of sold out pastors for Christ! I know this is just the beginning of the story. . .

As this prayer letter is being written, I am currently still in Oklahoma participating in two African American Evangelism Rallies and ministering at local churches through Aug 13th. God is doing some mighty things out here in the Sooner State! Please pray for the revival that has begun! There have been miracles at the foot of the cross!
